Tasting Notes

It is so inviting, just with its platinum blond bubbles, with a hint of light green.

Cuvée is crafted using the Charmat method. Derived from authentic grapes, this sparkling wine captures delightful spring aromas of jasmine flowers, lime, and a hint of croissant. A genuinely cosmopolitan sparkling wine, evident from its fragrance alone.

Cuvée is ideal for both beginning and concluding any event. Whether it's a wedding, a corporate meeting, a family birthday, or a terrace party with friends, Cuvée will work its magic.
