Tasting Notes

The liveliness of its perfumes is matched only by the effervescence of its bubbles. In the Prosecco Rosé Cielo you will discover divine aromas, with notes of strawberries and cherries. A delightful combination of soft and crunchy textures, with a pleasantly dry and refreshing finish. Enhance your happy hour experience with this Prosecco, its alluring colour and delightful taste will leave you wanting more. You can also appreciate it in fascinating mixology experiments, for a delicious cocktail with grapefruit and strawberries. **Pink bubbles that take you to the clouds, thanks to lightness and heavenly scents.**

Best Food Pairings

Don't worry, just sip and be happy. Waiting for Prosecco Rosé from the Blue Collection is a pleasure in itself. Its pink bubbles are so easy to pair with many appetizers, just imagine it next to inviting finger foods, for a delicious preview of what awaits you. Then put its magnetic personality into action, enjoying it with pizza with anchovies or pizza Margherita, raw salmon and soft cheese canapés, cherry tomatoes and mozzarella, french fries with aioli sauce, prawn cocktail, ham roll-ups, onion rings, fried halloumi cheese, vegetarian spring rolls, shrimp dumplings, and ratatouille. **So many possibilities for every kind of party!**
