1908 Appassionante Rosso Veneto IGT

The story you are passionate about

Ravishing for plot and taste. 1908 is a fundamental date for our family. Just then, Giovanni Cielo, our great-grandfather, bought his first vineyards to produce the family wines. After four generations of juicy successes, the intriguing taste of the Appassionante was born ... in red, with a special touch from its grapes, partially dried. A special wine ready to be enjoyed every day, intense but always pleasant in Summer as in Winter. Delightfulness is the key to its success. Passion is what has decreed its charm.

Tasting Notes: Colour, Aromas and Flavours

True red with a purple shade. Seductive already in the colour, it becomes even more so when tasted. Why? Easy to say! A perfect balance between freshness and flavour, wrapped in a juicy and silky texture, full of fruity and spicy nuances. A revealing taste of the many aromas that envelop you as soon as you uncork the Appassionante Rosso. Notes of violets and cyclamen, strawberry jam, cinnamon and chocolate. With scents like this, passion is upon you.

Best Food Pairings

When you organize a dinner or a festive lunch and you don't know the tastes of your guests, success will be immediate with Appassionante Rosso. After all, it is already so pleasant on its own. Red wine with great balance, perfect to accompany even recipes with ingredients considered tricky. Taste it passionately and pair it with radicchio and taleggio cheese crêpes, beef steak with truffle, artichoke lamb, green pepper fillet, mushroom and scamorza cheese meatloaf, roast beef with rosemary, fondue bourguignonne, beef strips with balsamic vinegar, sweet and sour vegetables.

Cielo supports water projects around the world.
