Tasting Notes

A **delicate pale yellow** that immediately hints at the **freshness and vibrancy** to come.
This is **our most aromatic white wine,** offering an intensely expressive bouquet. The nose is immediately captivated by **vibrant fruit notes**,ripe peach, citrus, and sun-kissed yellow fruits, beautifully complemented by subtle hints of white flowers. Its pronounced aromatics make it a wine that truly announces itself before the first sip. On the palate, Bianco di Gio is **full-bodied and enveloping**. The rich flavors mirror the bouquet, offering a harmonious balance of fruitiness and depth, with a **marked acidity and a crisp, refreshing finish,** making each sip both satisfying and memorable.

Best Food Pairings

Thanks to its **aromatic intensity**, this wine pairs perfectly with dishes that have bold flavors. Try it alongside **Asian cuisine** or traditional Venetian specialties like **baccalà alla vicentina**, or with any rich, flavorful fish dishes. Its expressive character shines best when matched with food that can complement its aromatic personality.
