Tasting Notes

Vinified with extended skin maceration at controlled temperatures. Aged in oak for 18 months to achieve an elegant structure, with soft, silky, and delicately sweet tannins. Oro di Gio reveals an intense ruby hue, reflecting the soul of Southern Italy. The nose is an opulent bouquet of **ripe Mediterranean fruits**, wild blackberry jam, and warm spices. On the palate, it is **monumental yet velvet-smooth**; its powerful structure is harmonized by polished tannins and a persistent, dark-chocolate finish. Every sip is a bold, golden journey through warmth and intensity.

Best Food Pairings

Oro di Gio is the perfect companion for **slow-cooked red meats**, wild game, and rich, herb-infused roasts. For a simpler yet equally prestigious pairing, serve it alongside **extra-matured cheeses** or a few squares of **dark chocolate**. Whether anchoring a lavish feast or enjoyed as a "meditation wine" among friends, its opulent structure turns every bite into a **golden culinary experience.**
